Kangaroo Island Community Education

Kangaroo Island Community Education (KICE) is a multi-campus school which reflects Kangaroo Island's strong island community and history. Students come from all over the island by school bus to attend their local campus. Kangaroo Island is one of the world's pristine natural environments where visitors are greeted by sea lions basking on unspoiled white beaches and koalas dozing in lofty eucalyptus trees. It is a place that offers protection to huge populations of native Australian animals, as well as being a place where people can pursue their creative, environmental and adventure interests. The school provides students with exciting opportunities to interact with scientists, artists and craftspeople across the island as well as participation in practical activities such as native fish surveys and tagging, pelican studies and dolphin monitoring.

Kapunda High School

Kapunda High School is a relatively small country high school located 80 km north east of Adelaide between the beautiful valleys of Barossa and Clare. The town of Kapunda is Australia's oldest mining town attracting tourists, particularly those interested in history and heritage. Kapunda High School is one of the oldest high schools in rural South Australia and draws students from Kapunda as well as the communities of Freeling, Roseworthy, Wasleys, Greenock and Gawler. The school offers a wide range of curriculum and extra curricula activities to students delivered by dedicated staff who work closely with our parents and the wider community.

Port Lincoln High School

Port Lincoln High School is located in Port Lincoln on the shores of Boston Bay, Eyre Peninsula, 660km from the city of Adelaide. Port Lincoln is the seafood and aquaculture capital of Australia, home to the country's largest commercial fishing fleet and renowned for its tuna, prawn, whiting, crayfish and oysters. The region offers a myriad of activities from fishing and sailing, to diving with great white sharks, touring aquaculture industries and exploring the area's sheltered beaches and booming surf. The school offers a broad curriculum ranging from traditional academic subjects to vocational education pathways including aquaculture and commercial cookery. There are also numerous opportunities for students to develop leadership and sporting skills and involve themselves in community projects.

Victor Harbor High School

Victor Harbor High School is located 80km south of Adelaide on the beautiful Fleurieu Peninsula. The township of Victor Harbor is a popular holiday destination with great sand and surf beaches, stunning scenery and unique wildlife. In July and August, Southern Right Whales can be seen basking at Encounter Bay, only metres from the shoreline. Victor Harbor High School's curriculum maintains close links to the natural environment and is characterised by pathway planning and personalised learning for every student. Victor Harbor High School has a strong academic program and has strengths in aquatics and marine studies.
